Use of this system constitutes your agreement to the service conditions in the current FedEx Service Guide, available upon request. FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery, or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations found in the current FedEx Service Guide apply. Your right to recover from FedEx for any loss, including intrinsic value of the package, loss of sales, income interest, profit, attorney's fees, costs, and other forms of damage whether direct, incidental, consequential, or special is limited to the greater of \$100 or the authorized declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value is \$500, e.g. jewelry, precious metals, negotiable instruments and other items listed in our Service Guide.

PETITION UNDER 37 CFR 1.183 FOR REVIVAL OF AN ABANDONED PATENT APPLICATION AND RECONSTRUCTION OF A MISSING FILE

The above-identified application became abandoned due to a failure by the United States Patent and Trademark Office to notify the applicant of action to be taken (if any).

APPLICANT HEREBY PETITIONS FOR REVIVAL OF THIS APPLICATION

This application was allowed by a notice of Allowance dated 02/03/97. The Issue Fee was paid by a transmittal mailed on 03/04/97. A Communication mailed on 10/21/97 informed the examiner of the entry of judgement on 09/26/97 in Augustine Medical, Inc. v. Gaymar Industries and in Augustine Medical, Inc. v. Mallinckrodt Medical, Inc. ("the litigation"). Augustine Medical, Inc. is the assignee of this application. On 11/17/97, an Information Disclosure Statement was submitted to disclose the merger of reexamination and reissue proceedings in US Patent No.

Docket No.: AUGA01000010
Serial No.: 08/419,719
Filed: 04/10/95

5,405,371. On 06/02/97, the Office mailed Paper # 19 in this application giving notice that the application was being withdrawn from issue to reopen prosecution. A copy of that notice is enclosed. No further communication respecting the reopening of prosecution has ever been received by the applicant.

On 03/01/99, the applicant mailed a Communication requesting notice of the status of this application, noting that a filing receipt in a related application (08/859,891) indicated that this application had been abandoned. A copy of that Communication is enclosed, together with a copy of a stamped postcard showing receipt of the Communication by the Office. Except for the postcard, no response from the Office to the Communication of 03/01/99 was ever received.

On 07/22/99, the applicant submitted a Communication in this application that forwarded an Information Disclosure Statement to disclose an update in the status of the litigation. A copy of the Communication is enclosed, together with a copy of a stamped postcard showing receipt of the Statement by the Office. Except for the postcard, no response from the Office to the Communication of 07/22/99 was ever received.

The applicant submitted a Status Inquiry on 09/11/00 requesting the Office to notify the applicant of the status of this application. A copy of the Status Inquiry is enclosed, together with a copy of a stamped postcard showing receipt of the Status Inquiry by the Office. Except for the postcard, no response from the Office to the Status Inquiry of 09/11/00 was ever received.

On or about 11/12/01, the undersigned held a telephonic interview with Examiner M. Graham regarding the status of this application and seeking direction as to a course of action. The examiner, who was most helpful, consulted the Office's internal application status database and informed the undersigned that the database indicated the application was in indeed an abandoned status and that the record further indicated the file had been lost.

With the exception of the return postcards already mentioned, no paper mailed by the Office

Docket No.:AUGA01000010
Serial No.: 08/419,719
Filed: 04/10/95

(including a Notice of Abandonment) has been received in this application following the notice of withdrawal from issue. A copy of the docket record for this application is submitted in this regard.

In view of the lack of correspondence from the Office, the applicant has been unable to prosecute this application. If the application is, indeed, abandoned, the abandonment was both unavoidable and unintentional. However, the applicant cannot fulfill the conditions set forth in 37 CFR 1.137 for revival in either case, having no outstanding Office Action or Notice to respond to. Accordingly, in the interest of doing justice in this case, the applicant respectfully requests that the Commissioner suspend the rules, revive the application, inform the applicant of the revival and issue an appropriate paper.

APPLICANT HEREBY PETITIONS FOR RECONSTRUCTION OF THIS FILE

If the file is lost and cannot be recovered or otherwise found, the applicant will make all file materials in its possession that are relevant to this application available for reconstruction of the file. In this regard, the applicant also petitions for reconstruction of the file.

If any fee is required, the Office is authorized to charge the fee to Deposit Account 07-1895 in the name of Gray Cary Ware & Freidenrich. In the event that the Commissioner determines that a fee is necessary, the undersigned respectfully requests notice of such.

Accompanying this paper is an Information Disclosure Statement. On June 2, 1997, a Notice (Paper No. 19) was mailed from the Office of Patent Publication to the undersigned. The purpose of the Paper was to give notice that the subject patent application was withdrawn from issue by the Office for the purpose of reopening prosecution. The litigation related to the subject matter and priority of this application has now been heard on appeal by the Court of Appeals, Federal Circuit. The accompanying Information Disclosure Statement forwards a copy of the Decision on Appeal. Subsequent to the decision, Augustine Medical, Inc., the owner by assignment of this patent application, submitted a Petition For Rehearing And Suggestion For Rehearing In Banc, a copy of which is attached. As of this date, the Federal Circuit has not ruled on the Petition, but has asked that Gaymar and Mallinckrodt respond to the petition.

Respectfully submitted,
